

MADDOX-DEAL MEMORIAL SING

The relatives and friends of the late F. B. Madbox and Uncle Wiley Deal met on July 28 at Woodland Grove church according to previous announcements to sing the great songs that these men loved so well during their lives ready to hold up the Sacred Harp singing organization in Coffee and surrounding counties. Promptly at 9:00 o'clock Uncle Dick Helms called the house to order and after singing two songs he appointed D. Rowe to sing three songs afterwards the officers were elected for the day: D. L. Bryan, Chairman, E. L. Bryan, V. Chairman, D. C. Marley, Secretary, L. R. Hickman, W. W. Moody and E. D. Rowe was appointed as arranging committee.

The following lesson was reported three songs each: C. W. Wiggins, O. L. Benson, A. A. Parker, Reces five minutes.

After recess the following were called to direct the music: J. W. Moody, J. W. Lee, C. L. Rowe and R. C. Lowery. Recess five minutes.

At this point the relatives of the deceased reported the following to sing two songs each and assigned to each the songs that he should sing all these songs were favorite songs of the deceased: D. C. Marley, J. M. Donaldson, C. L. Rowe, J. L. Moore, M. W. Helms, W. J. Wilks, and then a short talk by Judge J. A. Carley and the closed what was called the special Memorial lesson. Recess one hour for dinner. I believe that there were more than enough to have cared for as many more as was present and most of the best good eats I ever saw.

Afternoon Session.

House called to order by Chairman singing two songs and the following were selected to lead the singing: T. M. Fulk, L. A. Cotton, J. R. Clark and C. L. Farrow. Recess five minutes.

House called to order by the chairman singing two songs and the following were selected to lead the music for the lesson: A. A. Dubose, O. J. Simmons, Noah Helms and W. W. P. Fisher, at this time Mr. T. S. Paulk were called on to offer resolutions of thanks, this he did and I am sure that every one present will long remember this day and the people of this good community asked that this singing be held annually as memorial for all the singers that has been and that may be called to their great reward.

Mr. L. R. Hickman sang two songs and the class were dismissed with a word of prayer by Uncle A. J. Wise, D. L. Bryan, Chairman, and D. C. Marley, Secretary.

Misses Luna Delle and Estelle Bryant left last week for a visit with relatives in Birmingham.

Miss Janie Jordan, who is working in Dothan, was a visitor at Elba last Friday and Saturday.

The Peanut Shellers Say: "Your peanuts must be clean and properly harvested if top prices are expected" The New "LILLISTON" POSSESSES EVERY REQUIREMENT

COME AND SEE THEM IN OPERATION

"Harvesting and preparing your peanut crop for the market cannot be too carefully guarded if highest prices are expected." Is the statement of Boyd & Murphree, local shellers.

The Lilliston Picker is guaranteed to produce No. 1 grade peanuts, commanding \$10.00 to \$15.00 more per ton than the same quality not having been properly picked.

You are certainly interested in equipment that will produce the highest grade products—your neighbors are also interested in such equipment, and will allow preference when picking time arrives.

Don't be deceived, talk to your local sheller who pays the highest prices. Then come in and look over the New Improved Lilliston. Its new features are exceptionally desirable—its quality and performance is recognized by those having years of satisfactory experience.

The Dependable Ford Motor

Delays and expensive breakdowns are completely avoided with this dependable and inexpensive power unit.

The initial cost is surprisingly low, only \$175.00 Complete. It is an ideal power plant for many purposes around the farm, and promises to meet every requirement for peanut picking machinery.

Dependable day after day service—low cost operation and maintenance—is evidence of its superiority that insures satisfied customers.

R. G. ARNOLD TALKS ABOUT
PROGRESS BEING MADE IN
COFFEE COUNTY.

R. G. Arnold, district demonstration agent of Auburn, is a strong believer in the people and the future of Coffee County, where he served as county agent before he was promoted in glowing terms, he talked about Coffee county while in Montgomery Tuesday.

"In public service," said Mr. Arnold, "Coffee County is outstanding in Alabama. Under the leadership of Judge J. A. Carley and the county commissioners they have in that county farm demonstration work, home demonstration work, health work, and child welfare work. These four agencies are cooperating with each other and with other groups as well as the people in order to be of maximum service. Very few counties have all these lines of public service.

"In addition to state roads, Coffee county has 210 miles of good roads and roads; and the roads of the county are being improved steadily."

Mr. Arnold told about the progress being made in farming in that county. He said that production methods are getting better and that these are resulting in better crops. He said also that half of the cotton crop of the county has been signed by the growers of Coffee County as a part of a very important organization. Plans have been made to federate Coffee County Council of Women's Clubs with the State Federation of Clubs.

The one impressive thought gotten from the convention was that our Home Demonstration Clubs and our County Council are a part of a very important organization. Plans have been made to federate Coffee County Council of Women's Clubs with the State Federation of Clubs.

J. W. CARNEY'S BIRTHDAY CELEBRATION.

—O—

On Sunday, August 7, 1927, the relatives and friends of Mr. J. W. Carney of Kinston, Alabama, R. 1, met at his home to celebrate his 62nd birthday. It was a great occasion in the life of Mr. Carney. Although not well and on the bed of affliction, this event made him rejoice. There were around five hundred people present. At the noon hour a sumptuous dinner was spread under the shade trees in the yard.

In the morning his friends sang old-time sacred hymns and Judge J. A. Carney made a Bible talk. In the afternoon several lessons were told by Sacred Harp singers, and then Rev. J. A. Mitchell preached from the text: "A sower went forth to sow." (Matt. 13:11).

Mr. J. W. Carney is the son of Lewis and Nancy Carney, both deceased, and the grandson of William Elly Carney. He was born in Pike County, on August 7, 1865, and during his boyhood moved to Coffee and then to Butler, where his father died while J. W. was yet a boy. The family later moved to and resided for a time in Escambia County, and then back to Pike County, then coming back to Coffee. He was married in Coffee County to Miss Ruth Thomas, daughter of Mr. and Mrs. J. H. Thomas.

Mr. and Mrs. J. W. Carney have eight living children, namely, Mrs. Annie Clark, wife of J. H. Clark, Esq. (William L.) Carney, Misses Macie, Ethel, Lizzie, Zora, Nellie and Lela Bell. All were present on this occasion, and also six grand children.

Mr. J. W. Carney has only one brother, namely, George O. Carney, who was present. His only living uncle, Mr. John O. Carney, was also present. His uncle is now in his 70th year, residing at Opp, R. 2.

Mr. "Billy" Carney as he is commonly known has a large and interesting family, all the children being born and reared in Coffee County in Beale 20 and 1. The family have now about 20 years in Beale 1, near Perry's store on a fine plantation on the Opp road. For several months he has been in ill health. The occasion expressed the sympathy and love of relatives, neighbors and friends, and all of one mind in wishing for Mr. Carney recovery of health and many returns of this anniversary.

FARM WOMEN MAKE FANCY PRODUCTS.

—O—

At Auburn, Ala., August 16—That it is feasible to manufacture in farm homes a large number of valuable products was shown by the attractive exhibit collected for display at Auburn during the short course for farm people.

The exhibit were hooked rugs made of wool and rag; evening fans made of feathers from farms; tufted counterpane; linen bags; leather gloves; leather purses; children's clothes; unbleached dolls; artificial flowers; cedar churn dashers; pine needle baskets; Mary Ann, angel food, and civil food cakes; cottage cheese; canned meats; soup mixtures; and marmalades.

These products were collected from Tarranton, Clay, Morgan, Talladega, Tallapoosa, Tuscaloosa, Bullock, Macon, Houston, Lee, Mobile, Dallas and Jefferson Counties.

In studying these exhibits Miss Isadora Williams, district home demonstration agent, found a high quality material and workmanship. She said that the exhibit was conclusive evidence of excellent talent among the people to make such products. "They are anxious to make them, and they can sell them," she said. A steady and dependable market will result in manufacturing these things in much larger quantities.

Dreaded Aches, PAINS Disappeared

"My health had been poor for ten years, before I took Cardui," says Mrs. Anna Cronin, of Rockport, Ind. "I dragged around day after day, every move an effort, and never feeling the joy of being well."

"At times I had a dreadful ache across my back, and my sides hurt me. I worried along, sometimes hardly able to leave my bed, but the demands of a growing family had to be attended to, so what was I to do? I was told to try Cardui, and then I was down again."

"One day, someone suggested Cardui to me. I took it for several months, and all the time I was growing stronger, and less nervous. My aches and pains finally disappeared."

"That was two years ago. My improvement has been permanent. The gold medal which followed the taking of Cardui, is still with me. So I do not hesitate to recommend it to my friends."

MISSISS WHITMAN AND CONNER GIVE LAWN PARTY

Misses Doris Whitman and Evelyn Conner were joint hostesses at a lawn party given at the home of Mrs. Whitman Monday evening. The lawn was decorated with shaded lights, and many outdoor games were entered into by the guests. At the conclusion of the festivities of the evening, punch and cake were served to several members of the younger social set. A good time was reported by all.

LITTLE FOLKS ENJOY SPEND-THE-DAY PARTY

Little Miss Martha Francis Dowling entertained nine friends Thursday at a spend-the-day party, honoring her birthday. Various outdoor games were enjoyed during the day. At the noon hour the guests were served a delicious three course dinner. The birthday cake made a beautiful central decoration for the table. This was a delightful affair for the little hostess and her guests.

The Peanut Shellers Say: "Your peanuts must be clean and properly harvested if top prices are expected"

The New "LILLISTON" POSSESSES EVERY REQUIREMENT

COME AND SEE THEM IN OPERATION

"Harvesting and preparing your peanut crop for the market cannot be too carefully guarded if highest prices are expected," is the statement of Boyd & Murphree, local shellers. The Lilliston Picker is guaranteed to produce No. 1 grade peanuts, commanding \$10.00 to \$15.00 more per ton than the same quality nut having been properly picked. You are certainly interested in equipment that will produce the highest grade products—your neighbors are also interested in such equipment, and will allow preference when picking time arrives. Don't be deceived, talk to your local dealer who pays the highest prices. Then come in and look over the New Improved Lilliston. It's new features are exceptionally desirable—its quality and performance is recognized by those having years of satisfactory experience.

GRADY RHODES, ELBA BOY, IN THE NAVY NOW, WRITES INTERESTING LETTER.

The editor of The Clipper last week received a very interesting letter from Grady Rhodes, former Elba boy, now in the Navy, on the U. S. S. Antares. We feel sure his many friends here will enjoy his letter, which follows:

Newport, R. I., Aug. 10, 1927. Dear Momma: I have been thinking for some time that I would express my appreciation of The Elba Clipper. I am very glad that I subscribed to the dear old home town paper. On Wednesday of every week I am sure of getting some news from over two years now. I know very few of the people that are among the social columns.

We are going West by or before the first of January, and are going to make an extensive cruise of the West, including the West Indies and even farther West than they. We'll touch all along the coast as we go down to the Panama Canal Zone.

By the use of winter legumes Alabama farmers are making their own nitrogen. These winter-growing plants get started in the winter and grow rapidly in the spring, during which time they gather nitrogen from the air very rapidly. In addition they produce large quantities of humus or organic matter.

By growing one of these legumes on each acre, off the waste of the Alabama experiment station say that farmers can produce all the nitrogen they need and not have to buy it from market and buy it. It is much cheaper than buying nitrogen.

I am getting orders from Coffee County farmers every day and would appreciate it very much if you will write me or write me a card telling me how much you want, as I will have to quit taking orders by September 10th, in order to get the seed here in time to plant them.

FORD'S NEW CAR EXPECTED AT EARLY DATE, TO BE MUCH FASTER CAR.

Detroit, Mich., Aug. 10.—Ford's new automobile will be capable of a speed of 60 miles per hour, and with one exception will be quicker in acceleration, pickup, and getaway than any other type of automobile in its class.

Edsel Ford, president of the Ford Motor Company, said Thursday: "The building and testing of the new car is costing millions of dollars, he said, and when the new car is produced within the next few weeks it will be faster, smoother and more rugged than we had hoped for in the stages of developing." Ford declared.

"In a recent test one of these cars ran between 110 and 120 miles in two hours. In the first hour of the trip the car covered 55.1 miles, covering the remaining 53.9 miles during the second hour of the test, he said.

"This test was made over average road conditions, the route lying through country and partly through hill country. The car consumed less gas than any of the previous models and it was found that it surpassed all of them with one exception in quick starting and acceleration.

"We have known from the beginning that this new Ford would be a handsome car. Experiments have been made with a wide variety of other schemes and body designs and all these have been decided upon.

"When this car is formally introduced within the next few weeks, we shall be able to say that it is the best and most moderate priced automobile we have ever had."
